A message from leadership

Dear Friends,

This annual impact report offers a meaningful moment to reflect on our journey and celebrate the collective milestones we have achieved this past year. We are deeply grateful for your unwavering support, which remains a cornerstone of our success at Glendale Memorial Hospital and Health Center.

Our leadership, medical professionals, and dedicated staff recognize that philanthropy is vital to our mission. It allows us to maintain our standards of excellence while pioneering innovative approaches to patient care. Thanks to your inspiring and generous contributions, we have been able to fund caregiver scholarships, renovate state-of-the-art facilities, and equip our clinicians with the advanced technology necessary to provide world-class care to our community.

During fiscal year 2026, the support of over 406 donors enabled us to raise $1,170,000 dollars. This generosity, combined with a record level of transfers to the hospital, has allowed us to revitalize both our Emergency Department and our Behavioral Health Unit, in addition to purchasing essential capital equipment.

As you explore the stories of impact within these pages, please know that your compassion is what empowers Glendale Memorial Hospital and Health Center to deliver exceptional care. While medicine is always evolving, our work continues; together, we remain committed to making a meaningful difference and transforming the lives of every patient we serve.

We extend our heartfelt appreciation for your trust, collaboration, and steadfast commitment to our mission. We are profoundly grateful for your partnership.

With gratitude,

Dan Murphy
Vice President & Chief Philanthropy Officer

2026 Centennial Celebration

Our Centennial Celebration Gala was a tremendous success!

On Saturday, March 7, 2025, supporters of the Glendale Memorial Health Foundation gathered at The Langham Huntington in Pasadena to celebrate the 100th anniversary of Glendale Memorial Hospital and Health Center. With 450 guests in attendance, the evening was a wonderful tribute to our century of service.

We were honored to recognize Martha and David Ho, owners of Pacific BMW and longtime supporters of the hospital, as our guests of honor.

The evening featured exceptional dining and a live auction that provided both excitement and entertainment. The Rouge Band kept the energy high, ensuring the dance floor remained packed throughout the night.

Most importantly, the event raised $530,000 for the hospital. We are deeply grateful for your continued generosity and support.

Louise Lewis Legacy Society

About the Louise Lewis Legacy Society

For more than 48 years, Louise Lewis was a dedicated member of the Dignity Health – Glendale Memorial Hospital community. From her first days as a teenaged candy striper to her final days as a Board member and former chair of the Glendale Memorial Health Foundation, Louise Lewis served the needs of our hospital community with passion and commitment. Even after her untimely death from cancer, Louise Lewis continued to show her belief in Glendale Memorial's future by naming the hospital as a beneficiary of her estate. In recognition of her commitment and leadership, the Foundation's Board of Directors created the Louise Lewis Legacy Society to honor and celebrate those who remember the hospital in their estate plans.

Visit our website for more information on how you can leave a lasting legacy.

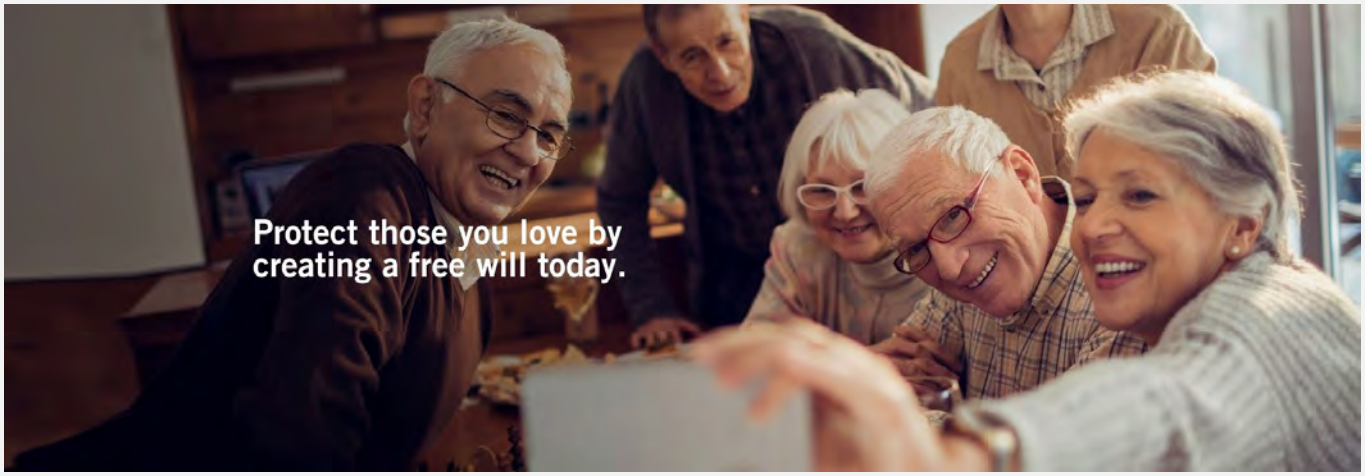
2025 Louise Lewis Legacy Society Dinner

On Wednesday, September 10th, 2025, the Glendale Memorial Health Foundation proudly hosted its annual Louise Lewis Legacy Society Celebration Dinner at the elegant residence of Craig & Jean Yaussi. This distinguished event served as a profound occasion to honor the dedicated members of our Legacy Society.

The evening celebrated the extraordinary life and unwavering commitment of Louise Lewis, whose nearly 50-year journey with Dignity Health – Glendale Memorial Hospital, from teenage candy striper to influential Board Chair, set a remarkable precedent for philanthropy. Inspired by her decision to name the hospital as a beneficiary in her estate, the Foundation's Board of Directors established the Louise Lewis Legacy Society to recognize individuals who safeguard Glendale Memorial's future through their planned giving.

We extend our deepest gratitude to our Legacy Society members, whose foresight and generosity embody Louise's spirit and directly impact our ability to provide exceptional patient care for generations to come. Their commitment is the bedrock of our hospital's continued success.

LLLS & FreeWill



Leave a Legacy of Hope and Healing with Glendale Memorial Health Foundation

Create lasting impact across the Inland Empire by including Dignity Health Foundation – Inland Empire in your will or trust. With our free, easy-to-use planned giving tools powered by FreeWill, you can ensure compassionate care, vital community programs, and humankindness continue for generations to come. Your legacy can be a gift of healing, today, tomorrow, and always.

At Glendale Memorial Health Foundation, we believe that humankindness means advancing care for the whole person. That care extends far beyond the walls of the hospital, including helping our donors, employees, and communities plan for the future.

You may be surprised to learn that 71% of Americans don't have a will or trust, leaving many families unprotected in the event of the unexpected. Probate alone can take 9 to 18 months and cost up to 10% of an estate's value.

That's why we're proud to offer a new, free resource through our partnership with FreeWill. This secure online tool allows you to create or update your will at no cost—giving you peace of mind and confidence in your plans for tomorrow.

Having a will ensures that your priorities are honored, your loved ones are cared for and your future is planned with confidence. Whether you are creating a will for the first time or updating an existing one, this tool makes the process easy and accessible.

We are honored to share this resource with our larger Glendale Memorial Health Foundation community as part of our ongoing commitment to serving the whole person—body, mind and spirit. If you have any questions about this new partnership, please contact me or visit our website: https://glendale.mygiftlegacy.org/

Board Hosted Salon Events

Board-Hosted Salon Event: Holiday Gathering

We were incredibly fortunate to enjoy a truly special holiday gathering on December 3rd, generously hosted by our invaluable Board Member, Angel Samvalian. The evening commenced with a sophisticated cocktail reception, giving our distinguished guests ample opportunity to reconnect and network. This was followed by an engaging dinner and program that fostered insightful discussions and celebrated our collective achievements. We extend our deepest gratitude to Angel for her exceptional hospitality and for making the evening such a resounding success.

Board Hosted Salon Events

Board-Hosted Salon Event:Pickleball

What a smashing good time we had at the Glendale Memorial Health Foundation's "Evening of Connection, Conversation & Pickleball" on June 11th! Guests enjoyed an incredible evening at La Cañada Flintridge Country Club, filled with delightful conversations, delicious food, and fine wine.

So many of you embraced our "sporty twist" and hit the courts for a fun introduction to Pickleball, while others enjoyed the relaxed social atmosphere. It was truly an evening of community and connection!

Thank you to everyone who joined us and supported Glendale Memorial Health Foundation. Your presence made the event a huge success!
