A Dignity Health Member

Our Mission

The role of the Glendale Memorial Health Foundation is to initiate philanthropic initiatives and secure financial support for:

- Dignity Health Glendale Memorial Hospital and Health Center;
- Education and training needs of its workforce; and
- Community health initiatives and programs that positively affect the social determinants of health

The Foundation is led by a Board of Directors made up of community leaders who are committed to advancing Dignity Health's mission to deliver compassionate, high-quality, affordable health services; serve and advocate for our sisters and brothers who are poor and disenfranchised; and partner with others in the community to improve the quality of life.

Glendale Charity Golf Classic 2022 Raises \$110,000 for Glendale Memorial Hospital

Glendale Memorial Health Foundation hosted another successful tournament at DeBell Golf Club in Burbank, raising \$110,000 for Glendale Memorial Hospital on June 3rd, 2022.

Special thank you to our 2022 co-chairs Dr. Robert Gall and Dr. Onkar Marwah who helped make the day memorable for all. We could not have done it without the support of all our 2022 Charity Golf Classic sponsors, players, volunteers and supporters.

Each year we host the golf tournament to foster positivity and excitement for our hospital. This year's proceeds will benefit Glendale Memorial Hospital's capital needs fund. Congratulations to all our 2022 winners!

S. H. Ho Plaza Unveiling

In recognition of the S. H. Ho Foundation's monumental 2.5 million dollar commitment to Glendale Memorial Hospital, the Glendale Memorial Health Foundation honored Mr. and Mrs. David Ho, Dr. Delphine Ho, Dr. and Mrs. Edmund Lo and the Pacific BMW Family with the unveiling of the S. H. Ho Plaza on Thursday, August 19th 2021.

The S. H. Ho Foundation's incredible support has done so much for the hospital, our patients and the community we serve. With the support of the S. H. Ho Foundation the Glendale Memorial Hospital was able to completely remodel the GI Department and update the labor and delivery unit. Furthermore, their support has helped us achieve our commitment to enhancing heart care by adding the latest technology to one of our Cath Labs. Thank you to S. H. Ho Foundation's investment in our mission!

Women of Dignity Health

In the past 12 months the Women of Dignity Health has continued to host the Zoom Inspiration Series events for members of Women of Dignity Health, staff and interested community partners. In September, Kathi Sharpe-Ross joined us to present on "The Power of Reinvention".

The Women of Dignity Health is a unique giving group that raises money for Glendale Memorial through annual membership and events. You can learn more about this program on our website!

Community Partners Give Back

Throughout the last 3 years, Glendale Memorial Hospital has been lucky to receive thousands of donated in-kind items to our frontline workers. In 2022 the Foundation continued to field support from local businesses in Glendale and Los Angeles in the form of in-kind donations. During these unprecedented times, Glendale Memorial staff and caregivers were so thrilled to receive donated meals, treats, and PPE as a thank you from our community.

Small businesses, like Game Haus Cafe, donated dozens of desserts during the January 2022 surge of COVID-19. We appreciate their humankindness and compassion for healthcare workers who are taking care of those in need. The Rotary Club of Glendale also donated lunch and dinner meals to our Emergency Department nurses and staff for four weeks in the Spring. Also, Subaru Loves to Care partnered with the Leukemia & Lymphoma Society to donate blankets and art kits to the hospital. Hello Humankindness!

Guardian Angels Awarded for Exceptional Care

The Glendale Memorial Health Foundation's Guardian Angel Program allows patients and loved ones to make a donation to the hospital in honor of a caregiver, nurse or physician who made an impact in their care.

In December, Elizabeth and Tim Lewis, longtime supporters of Glendale Memorial, made a generous \$10,000 gift to the hospital in honor of the care received by Dr. David Rogers, Glendale Memorial orthopedic spine surgeon. This gift was also in memory of former GMHF Board Member, supporter and hospital volunteer, Louise Lewis. Elizabeth and Tim had such a positive experience that they chose to give back and give thanks with a gift to the Acute Rehab Unit. Their generous gift funded the purchase of much needed patient care items in our Acute Rehab Unit.

Through the generosity of other donors, we recognized several other dedicated caregivers as Guardian Angels this year!
